Not one, but two Trams have arrived!

As the holiday season approaches, we are happy to share this great news with you- the Brevard Medical City Trams have arrived! We have two of these innovative electric vehicles that will travel along Lake Madeleine and the medical/shopping plaza. Hop on and off, as you wish! Whether you need to go somewhere in the parking lot plaza or simply want to take ride, we can take you.

Chateau Madeleine now offers three different modes of transportation: the bus, the tram, and the club cart. Isn't is great to have options?!

Resident Council Meeting

Resident Council meetings are a good place for you, as a resident, to discuss what activities and services you would enjoy in your home. Council meetings provide a forum where concerns with staff are addressed by managerial staff. Management is often invited to attend meetings to answer questions and

address concerns. The next Resident Council meeting will be held on **Monday, December 30 at 2:00 PM** in the Center Stage Theater on the 2nd Floor.

Accordion Performance by Klaus on December 22 at 2:30 PM in the Main Courtyard!

The first accordions were invented in the early nineteenth century.

Klaus is German born, grew up and attended the Music Conservator in Gorlitz, and founded his first Dance Band Combo in Meissen. He is a member of the Brevard Chapter Central Florida Accordion Club. Klaus performs at venues, such as the Elk's Lodge in Cocoa and with the Harbor City Dance Band at the Eau Gallie Civic Center. Come listen to the "Accordian Pleasures" here at Chateau Madeleine on **Sunday, December 22 at 2:30 PM!**

The Singing Christmas Trees

"From its beginning over three decades ago, the Trees have become one of Central Florida's most loved and spectacular traditions. The Singing Christmas Trees is an exciting presentation of Christmas classics featuring a huge choir, full orchestra, dance, powerful drama and a beautiful display of 250,000 lights on our two 45-foot-tall Christmas Trees.

Mel & Nancy Johnson pictured on right. Mels's wife, Nancy, is a beautiful singer in "The Singing Christmas Trees" of First Baptist Orlando.

Before the Trees begin, join us for a stroll through our Bethlehem Village! Kids and adults will love meeting our live animals in the petting zoo and characters from the Christmas story come to life during our Meet & Greets. See our live Nativity and get a picture made with the whole family. This is one experience you won't want to miss! The Bethlehem Village starts one hour before show time."

Special On-Screen Presentation of "The Singing Christmas Trees" Monday, December 22 at 2:00 PM.

Nancy Johnson has been a part of "The Singing Christmas Trees" for many years. We are looking forward to this special on-screen presentation on **Monday, 12/23 at 2:00 PM in the Center Stage Performance Theater!** See you there!
